

Curriculum Vitae

Dr Boshoff Steenekamp

MBChB (Pret), M Fam Med (UOVS), MSc (Med) (Wits)

1 August 2017

Boshoff has been with MMI since August 2013, where he works on strategy and represents MMI at various forums on strategic matters impacting on healthcare financing. He has recently completed the WHO advanced course in healthcare financing for low and middle income countries. At Metropolitan Health Risk Management he reviewed managed care programmes.

Previously he was employed by the CMS (2005 to 2013) where he worked on the REF and PMB review projects and as Strategist in the office of the Registrar.

He was employed by AngloGold health companies from 1994 to 2005 in clinical medicine, IT project implementation, information management, and medical scheme administration.

From 1985 to 1994 he worked as a medical officer, epidemiologist, registrar in pathology, and regional head for the Department of Health.
